

THE RUCKUS SUPPORTERS CORPORATION
Ruckus Leadership Council Meeting
11/10/2022

ATTENDEES

Walter del Sotero, Karla Hart, Eric Popham, Amanda Smith, Pedro Araujo

This meeting was conducted remotely using video chat with a representative of the Front Office (FO) of Orlando City SC (OCSC).

AGENDA

The focus of this meeting was to have a discussion between Ruckus Leadership Council (RLC) and the FO about The Wall Supporters Trust, which lays out the mission, membership and requirements of Supporter Groups (SG) for OCSC and any affiliated club.

Near the end of the 2022 season, it was noticed that the language in the Wall Trust had been changed; essentially, “relaxing” requirements for the creation of new SGs. This action appears to have happened with no input from the two SGs, The Ruckus and Iron Lion Firm (ILF).

Our video call with the FO on this date was to express that the Wall Trust needed to be reverted back to the old standard until such time that both SGs can meet together to discuss changes and if any are actually needed.

Pedro Araujo (FO representative) stated he completely understood and would work to get the old information back up on the OCSC website.

RLC will follow up with FO prior to the Thanksgiving holiday to ensure the website is updated.
